SUBMIT / UPDATE YOUR TIPS

I will explain this screen in detail, as it is the most important part of the website.

Red Circle: This is where you select the round you wish to tip for. You can tip in advance if you wish (or going away on holidays etc)

Blue Circle: This area informs you when the current round closes (1.30pm Saturday for every round) and if you have submitted your tips for this round. Tips can be changed at any time before the closing time of 1.30pm Saturday.

Green Circle: These drop boxes are when you choose your winning team or if you cant decide, pick a draw! If you correctly select a draw you will be awarded a bonus point (2 points instead of 1 point) for that selection.

When you have entered all your tips, click the Submit/Update Green Button.

And that's it; you have entered your tips for the week. Please remember you can change these tips at any time until the closing time on Saturday.

The Rules and Particulars of Competition

Points Allocation							
Correct Tip:	<input type="text" value="1"/>	Incorrect Tip:	<input type="text" value="0"/>	Tip a Draw:	<input type="text" value="1"/>	Match Drawn: (but not tipped)	<input type="text" value="0"/>

Miscellaneous Details		
Closing Minutes:	<input type="text" value="0"/>	The number of minutes the current round will close before the first game is played.
All Correct Bonus:	<input type="text" value="1"/>	Bonus points to be added if tipper tips a perfect score for the round. (This does not include rounds with postponed/forfeited fixtures)
Non Submission:	<input type="text" value="Away"/>	Non Submission points are calculated for tippers who fail to submit their tips by the round cut-off time. For example "lowest" and an adjustment of -2 will give the forgetful tipper the lowest score for the round minus two points.
Adjustment:	<input type="text" value="-1"/>	
Late Start:	<input type="text" value="Average"/>	Late Start points are calculated for tippers who start later than the first round. For example, "Average" and an Adjustment of 3 will give the late tipper the average of all other participants current total score (rounded down to the nearest point) plus three points.
Adjustment:	<input type="text" value="-3"/>	
Hide Ladder After Round:	<input type="text" value="Do not Hide Ladder"/>	Tippers will not be able to view the tipping competition ladder after the nominated round.

Prizes

Prizes are gratefully sponsored by **Mannix Air Gawler**. More details will be available as to exactly the total prize money and how it will be divided up amongst winners, 2nd place, etc.
